6th. In the Rapidity of Evaporation without danger or switches fresh. The manufacturers of this Evaporator The manufacturers of this Evaporator. Warrant it in all Respects as Represented, and as being inferior to none, but Superior to all other Evaporators now in use.

10W In use.

It has been seed on this Peninsula for the years of 1875-6, and has given universal satisfaction—both as regards its working capacity, and the quality and saleableness of the fruit evaporated. And in view of an abundant crop of peaches, and low prices the coming season for green fruit, we call the attention of Fruit Growers to the paying and increasing demand for fruit prepared in this way as

A few full-blooded Chester White Pigs for ale.
